

*INTRODUCING EVERWELL  
AFLAC'S NEW WEB-BASED OPEN  
ENROLLMENT*

Aflac now has a new web-based enrollment platform. When you register onto the program you can view brochures and product videos, and have information for the Accident, Cancer, Short-term Disability, or Hospital policies. This is your opportunity to review benefits before meeting with your Aflac representative at open enrollment. Your representative can show you other available plans such as Dental, Life and Vision at open enrollment. During open enrollment you'll review your benefits, enroll or change coverage, and discuss claims.

***WITH AFLAC, BENEFITS ARE PAYABLE DIRECTLY TO YOU.***

**Accident:** Twenty-four hours a day coverage for on-the-job as well as off-the-job injuries, sports injuries, etc. All accidental injuries are covered which includes visits to a doctor's office, hospital, eye doctor, dentist, and chiropractor.

**Cancer:** Coverage for any diagnosis of cancer where benefits are payable to you directly, which will allow you to seek treatment where you choose. Plus receive annual wellness benefits for doing routine cancer screening tests. There is a new rider which adds critical care to your cancer policy.

**Short-Term Disability:** Coverage for your paycheck while you are not working from an accident or sickness. Maternity benefits included.

**Hospital Confinement:** Receive daily benefits for any time spent in the hospital, in addition to short stays, surgical benefits.

**Dental:** Dental Essentials is a complementary choice to add with your dental coverage. Orthodontic & Cosmetic Riders are also available.

**Critical Care Protection:** Benefits for events such as heart attack, stroke, and coronary artery bypass surgery, and many more with Option 1. Option 2 included ICU. Option 3 offers heart valve surgery, aortic aneurysm, cardiac catheterization, coronary stent implant, etc.

**Life Insurance:** Term, Whole, and Juvenile available with coverage up to \$500,000 on Term and Whole Life.
